

DULWICH & SYDENHAM HILL GOLF CLUB

LADIES HANDICAP REVIEW

The Handicap & Competition Committee recently carried out their Annual Handicap Review under the guidelines set out by CONGU (the official golf handicapping governing body). Below is a list of all those players who have had their handicaps adjusted by the committee. The computer automatically selects members for adjustment and we then check the records of each player to ensure we are satisfied with the recommendation. Members who have written to the Club to ask for their handicaps to be adjusted also had their records checked before adjustment.
